UNIQUE MODULAR SLIM LINE TANKS

Why choose a Unique Modular Tank?
Unique Modular Tanks are proudly Australian owned and have developed a unique, sturdy and modern designed water tank that is well suited to the Australian home design. Modular tanks meet the highest standards for drinking water (AS 2070 - 1999) for food contact (AS/NZ 4020 - 2005).

- Slim Line Flat Pack Tanks
- DIY - easily site assembled
- All tank accessories (inc. Water Pump, At Extra Cost)
- 2000 litres to 8000 litres (Standard Sizes)
- Any other sizes made to measure
- Full Installation available at extra cost
- Rectangular Tanks with PVC Potable Water bladder inside

The modular tank is easily assembled on site and is available in a wide range of colours and stocks are available now for delivery within 15 working days. All tanks are supplied with a fine UV 300mm mesh strainer for inlet, a 90mm overflow and a 25mm tank outlet for pump and tap fittings. All tanks are Australian designed and made from Galvanised steel and colorbond sheeting.
